

Performing Arts Rental Program

Savvi Formalwear is proud to announce our new Performing Arts Rental Program for the 2009/2010 school year. If your organization has worn tuxedos in the past or is considering formalwear for the future, we would like to present you with popular options for your students. We are here to offer convenience, excellent service and competitive pricing.

Our program is designed to simplify the process of outfitting your students in formal attire. Here are the program highlights:

- \$100 rental fee for the entire school year
- Includes a classic black tuxedo, formal shirt, studs & links, cummerbund, bow tie and a garment bag. Shoes can be available for an additional \$12.
- 9 convenient store locations in the Minneapolis metro area where students can be fitted for the tuxedo and make their payment
- Onsite delivery
- Students can simply return to any store at the end of the school year
- Students can also use their tuxedo for any formal event during the school year, including prom! We have over 200 styles & colors of fullback vests available for individual rental at any point during the school year. This allows them to match their ensemble to their date's dress for prom or other school events.

We all have been through some challenging economic times lately and as a result Savvi would like to offer a free scholarship tuxedo with every 20 orders that are placed. You simply can tell us who you would like to use them for and we can apply the discount to the student's order.

If you are interested in purchasing new or previously rented product please call. We have discounted packages available to suit your needs.

Savvi Formalwear is proud to be the only locally owned and operated formalwear specialist in the Twin Cities; and we have been family-owned and operated since 1972.

If you have any questions or are interested in this program please contact me. I would be more than happy to assist you in starting the Performing Arts Rental Program.

Sincerely,
